

Mei-Ling Zhou

Frontend Architect & React Specialist

meiling.zhou@webcraft.org · +1 415 555 0147 · San Francisco, CA, USA

SUMMARY

Frontend architect dedicated to crafting high-performance, accessible, and elegant user interfaces with React and TypeScript.

SKILLS

React · TypeScript · Next.js · Tailwind CSS · GraphQL · Jest

EXPERIENCE

Lead Frontend Engineer — Bayview Software

2021-01 – Present

- Spearheaded the adoption of Next.js and Tailwind CSS for the company flagship SaaS product.
- Improved web performance metrics, achieving 95+ Lighthouse scores across all major pages.
- Established frontend testing standards using Jest and React Testing Library.

Senior UI Developer — Silicon Web Studio

2018-05 – 2020-12

- Built reusable component libraries consumed by multiple product development squads.
- Integrated GraphQL clients to optimize data fetching and eliminate over-fetching issues.
- Conducted code reviews and championed web accessibility (a11y) compliance.

EDUCATION

Bachelor of Science in Electrical Engineering and Computer Sciences

2018

University of California, Berkeley
