

Marc Ferrer

Full Stack Developer | React & Node.js Specialist

marc.ferrer@example.es · +34-932-555-123 · Barcelona, Spain

SUMMARY

Dynamic Full Stack Developer with an engineering background from UPC, passionate about building responsive web applications and modern user interfaces.

SKILLS

JavaScript · TypeScript · React · Node.js · Express · MongoDB · Tailwind CSS

EXPERIENCE

Full Stack Engineer — Catalonia Digital

2020-09 – Present

- Built interactive single-page applications using React, TypeScript, and Redux for European retail clients.
- Engineered secure backend REST APIs utilizing Node.js and Express connected to MongoDB clusters.
- Optimized frontend bundle sizes through code splitting and lazy loading, boosting page load speeds by 40%.

Junior Web Developer — Iberia Tech Solutions

2018-07 – 2020-08

- Developed modular UI components using React and styled-components adhering to strict design systems.
- Integrated third-party payment gateways and authentication services like Auth0 and Stripe.
- Participated in daily agile stand-ups, sprint planning, and code reviews.

EDUCATION

Bachelor of Science in Informatics Engineering

2018

Universitat Politècnica de Catalunya (UPC)
