

Chloe Martin

Frontend Engineer | UI/UX & React Expert

chloe.martin@example.fr · +33-1-42-68-55-00 · Paris, France

SUMMARY

Creative Frontend Engineer dedicated to building accessible, performant, and visually stunning web applications with modern JavaScript frameworks.

SKILLS

JavaScript · TypeScript · React · Next.js · CSS3 · HTML5 · Figma

EXPERIENCE

Frontend Engineer — Lumière Digital

2021-05 – Present

- Developed server-side rendered applications using Next.js and React for luxury e-commerce brands.
- Collaborated closely with UX designers to translate complex Figma prototypes into pixel-perfect components.
- Ensured strict adherence to WCAG 2.1 accessibility standards across all customer-facing digital platforms.

Junior UI Developer — Paris Web Studio

2019-09 – 2021-04

- Built reusable React components and integrated them with GraphQL endpoints.
- Improved cross-browser compatibility and optimized mobile responsiveness for high-traffic blogs.
- Conducted unit and integration testing using Jest and React Testing Library.
