

Amina Diallo

Data Scientist & Machine Learning Engineer

amina.diallo@datamail.io · +33 1 42 68 55 00 · Paris, France

SUMMARY

Data scientist specializing in NLP, predictive modeling, and deploying machine learning pipelines into production environments.

SKILLS

Python · TensorFlow · PyTorch · AWS · SQL · Docker

EXPERIENCE

Machine Learning Engineer — Paris AI Labs

2020-09 – Present

- Developed state-of-the-art NLP models using Python and PyTorch for customer sentiment analysis.
- Deployed machine learning models on AWS SageMaker, ensuring low latency and high availability.
- Partnered with product teams to translate business requirements into quantitative data objectives.

Junior Data Scientist — EuroData Insights

2017-06 – 2020-08

- Cleaned and analyzed large datasets containing millions of records using Python pandas and SQL.
- Built interactive data dashboards using Streamlit and Plotly for executive stakeholders.
- Conducted A/B testing experiments to evaluate feature rollouts and user engagement.

EDUCATION

Master of Science in Data Science and Artificial Intelligence

2017

École Polytechnique

Bachelor of Science in Applied Mathematics

2015

Université de Paris
