Skills

React · TypeScript · Node.js · GraphQL · Tailwind CSS · Jest

Experience

Full Stack Developer — FinTech Innovations

2022-01 – Present

- Built responsive customer dashboard components using React, TypeScript, and Tailwind CSS.
- Designed and implemented GraphQL APIs in Node.js to streamline client-server communication.
- Improved frontend test coverage from 60% to 90% using Jest and React Testing Library.

Frontend Developer — Digital Web Agency

2019-09 – 2021-12

- Delivered over 15 client websites and web applications on tight deadlines.
- Integrated third-party payment gateways including Stripe and PayPal.
- Ensured strict adherence to WCAG 2.1 accessibility standards across all projects.

Education

Bachelor of Engineering in Computing

Imperial College London · 2019
