# Fatima Al-Hassan

## Software Engineer & Distributed Systems Specialist

fatima.alhassan@example.com · +971 4 321 9876 · Dubai, United Arab Emirates

### Summary

Systems engineer dedicated to building fault-tolerant backend architectures and high-performance APIs.

### Skills

Java · Spring Boot · Kafka · Docker · AWS · MySQL

### Experience

#### Backend Software Engineer — Gulf Tech Solutions

2021-09 – Present

- Designed event-driven microservices using Java, Spring Boot, and Apache Kafka.
- Integrated secure OAuth2 authentication across all enterprise customer portals.
- Participated in architectural design reviews for high-scale regional payment systems.

#### Junior Software Developer — Oasis Systems

2019-06 – 2021-08

- Built internal administration tools using Spring MVC and Thymeleaf.
- Wrote comprehensive unit and integration tests using JUnit and Mockito.
- Participated in daily standups and sprint planning sessions within an agile environment.

### Education

#### Bachelor of Science in Computer Engineering

American University of Sharjah · 2019
