Liam O'Connor

Machine Learning Engineer & Data Scientist

liam.oconnor@datasciencehub.io · +353 1 555 0188 · Dublin, Ireland

Summary

Data Scientist and ML Engineer specializing in predictive modeling, natural language processing, and deploying machine learning workflows using Python and cloud tools.

Skills

Python · TensorFlow · PyTorch · Scikit-Learn · Pandas · SQL · MLOps

Experience

Machine Learning Engineer — Emerald Analytics

2019-10 – Present

- Developed and deployed NLP classification models using PyTorch to automate customer support ticket routing.
- Built scalable MLOps pipelines using Docker and MLflow to streamline model retraining and deployment.
- Partnered with product teams to translate complex business metrics into actionable machine learning features.

Junior Data Analyst — Dublin Fintech Group

2017-07 – 2019-09

- Analyzed large customer datasets using Python (Pandas, NumPy) to identify churn risk factors.
- Created automated Tableau dashboards for executive leadership to track weekly KPIs.
- Wrote complex SQL queries to extract data for ad-hoc marketing campaigns.

Education

Master of Science in Artificial Intelligence

Trinity College Dublin · 2017

Bachelor of Arts in Mathematics and Economics

University College Dublin · 2015
